

# Muskingum County Planning Commission

EST. 2005, Ohio Revised Code 713.22

## Private Access Inspection Sheet: For Protection from Fire

Pursuant to Section 506.2 (G) of the Muskingum County Subdivision Regulations:  
A physical inspection of the proposed access shall be inspected by the Fire Chief of the Jurisdiction in question, to determine if the roadway will be adequate for any emergency response equipment to reach all building sites without injury to the equipment. A report shall be made and submitted with the variance application.
